Fire Resistant Plastic Step-on Containers

Toter's Fire Resistant Step-on Containers provide an easy way to dispose of waste and recyclables with an integrated foot pedal for easy, hands-free lid opening. Available in multiple colors including beige, white, and red. Ideal for use in a variety of settings.

- Product is compliant with UL94-V2 classwaste for use in hospitals and medical facilities
- Lid closes securely when foot pedal is released
- Ideal for commercial and institutional settings
- Bag holder on back of can keeps bags securely attached
