Organics Bins

Toter's Organics Bins make it easy to collect and transport organics materials. Made with durable high density polyethylene (HDPE), they are built to last.

The 2-Gallon Organics Bin is equipped with top and bottom hand grips for easy dumping, a snap tight lid, a wall mountable design and a locking seal to prevent odors. It is dishwasher safe, which makes it easy to clean.

The 13-Gallon Organics Bin is designed for collection with large handles at a comfortable height and heavy-duty wheels for easy transport to the curb. Featuring a latch and animal lock, it keeps away pesky predators. Toter's Organics Bins are equipped for all your organics needs.

Available in 2-gallon and 13-gallon sizes

Description	Size	Dimensions (L x W x H)
Organics Bin	2 gallon	11.5" x 8.5" x 9.3"
