SECURE DOCUMENT MANAGEMENT & E-WASTE CARTS

Secure to the Extreme

SECURE DOCUMENT MANAGEMENT CARTS

Toter's document management carts are designed specifically for protecting some of an organization's most valuable assets – its confidential materials. Businesses must ensure that sensitive or confidential documents and private information are protected from misuse, identity theft, and loss, and Toter's document management carts are a great solution.

- Locking lid prevents unauthorized access and keeps confidential documents securely contained
- High load ratings for safe handling of heavy loads
- Carts can be hitched together for easy transport
- Compatible with on-site mobile shredding trucks
- Meets all ANSI standards for lifter compatibility and safety

Caster carts are available in 64- and 96-gallon sizes.

Two-wheeled carts are available in 32-, 48-, 64- and 96-gallon sizes.

Part	Size	Dimensions (L x W x H)	Wheel Size	Load Rating
CDA64	64 Gallons	32.00" x 24.25" x 42.00"	10"	224 lbs. / 101.6 kg

E-WASTE CARTS

Managing, sorting and recycling e-waste and unwanted IT equipment can be extremely cumbersome, and no company can risk electronic documents ending up in the wrong hands. Toter's portable electronic waste carts are durable, secure depositories for e-waste like hard drives, cell phones, batteries, and more. They are secured with locking lids to keep e-waste locked inside, and provide peace of mind when it comes to privacy and confidentiality.

- Stress-free Advanced Rotational Molding™ for strength and durability
- Designed for collecting sensitive electronic waste, like hard drives
- Lids feature security locking mechanisms for maximum protection
- Compatible with all North American and ANSI saddle/stop bar lifters
- Towable – can be hitched together to move more waste in a single trip (optional tow bars available)

Available in 64- and 96-gallon size
