16 and 22-Gallon Recycling Bin

Toter's 16-gallon and 22-gallon Recycle Bins are the first curbside recycle bins built with rounded handles to make transporting a breeze. Constructed with durable high density polyethylene (HDPE), Toter's Recycle Bins are built to last in the toughest environments. Featuring heavy-duty drag ribs on the bottom, Toter's Recycle bins are designed to withstand the day-to-day abuse of recycling collection. Storage and shipping are made easy with with Toter's Recycle Bins because they never stick together when stacked. Available with a variety of custom lid options including solid lids, quick-drop hole lids, and quick-drop slotted hole lids.

Features & Benefits:

- Made from high density polyethylene (HDPE)
- Rounded handle design for easy transport
- Heavy-duty drag base to protect against wear
- Stackable for maximum storage and easy collection
- Four (4) drainage holes
- Spill retention channel
- Withstands temperature ranging from -40° F to 130° F
