Toter Single Wall Roto Lid

Introducing our new line of single wall rotational lids that fit the EVR II Cart series. Our TOTER Single Wall Roto Lids are constructed with our Advanced Rotational Molding™ process that creates a much more durable lid in comparison to injection molded lids. We've pulled out all the stops to make our lids powerful enough to withstand the daily wear and tear in the field. Our lids can help reduce repair down time—which directly impacts your bottom line!

Single Wall Roto Lids and Lid Kits come in four sizes – 32G, 48G, 64G, 96G and are:

- Available in a variety of popular waste collection colors for sorting needs
- Tested and approved for automated trucks
- Made with 50% post-consumer plastic
- Under our standard 5-year warranty
- Corrosion and chemical resistant
- UV stable
- Designed with three areas for graphics

Looking for a configurable option? Our Lid Kits include a lid, a Can Collar, Lid Slot and Hasp lock inserts.

Lid Only Options

32 Gallon 2.3 LB
24.3" (L) x 19.6" (W) x 4.5" (H)
