Single Wall Roto Lid

Your garbage can lid is susceptible to a variety of factors that cause it to break or crack, which in turn necessitates replacement. To address this issue, Toter has developed the Single Wall Roto Lid, designed to help withstand abuse.

The rotationally molded manufacturing process creates a heavy duty and durable lid that helps reduce your costs by diminishing the need for repair or replacement.

- Rotationally Molded lid for extra strength & durability for all environmental conditions.
- 10 year warranty
- Smooth surface for easy cleaning
- Large graphic space for customer signage
- 96 gallon lid size
