

Slimline Containers

Toter[®]
PRO
Built for Extremes[®]

Built To Last Means Value

No matter which configuration you choose, Toter Slimline Containers are the perfect solution for your food service environment needs. Made by a roto-molding process that eliminates weak spots, our containers are built for extreme situations and extended service, indoors or outdoors. Available in two sizes with four lid choices, and loaded with useful features like thicker drag strips, three robust handles, rugged rims and venting channels, Toter Slimline Containers are smart, tough, and dependable members of your team.

Integrated Handles:

For ease of use with carrying and transport.

Bag cinch:

Helps keep bag in place.

Venting Channels:

Aids with easy bag removal.

Thick Drag Strips:

For increased durability.

Bottom Handles:

Molded in for easy dumping.
