

A brown bear is shown in profile, standing on a green plastic trash can. The bear's mouth is open, and it is spraying a stream of water from its tongue. The bear's fur is thick and brown. The trash can is green and has some wear and tear. The background is a blurred forest scene with green trees.

Bear Resistant Cart

Toter Bear Resistant Carts are built to withstand the toughest bears! Our carts are constructed with our Advanced Rotational Molding™ process that creates an extremely durable trash can. We've armed them with a rugged rim to help prevent chewing, a double-walled lid, beefier handle and hinge and eliminated pry points, which makes them tough enough to withstand the strongest claws and jaws!
