**CONTRACT #041521-TOT**

# TOTER/SOURCEWELL CONTRACT #041521-TOT

Sourcewell goes through the competitive bidding process so you don't have to, allowing you to satisfy your bidding requirements much faster – with less hassle.

## WHAT IS SOURCEWELL?

Sourcewell is a public agency that offers competitively solicited purchasing contracts for products and equipment to member agencies so those members do not have to duplicate the solicitation process – it's already been done on their behalf! By leveraging competitively solicited and awarded contracts, your team has more time to handle other important tasks. Sourcewell awarded vendors – like Wastequip – can provide aggressive, competitive pricing.

## WHY SOURCEWELL?

Sourcewell serves as a municipal contracting agency, competitively awarding cooperative contract solutions on the national level. They evaluate vendors on more than just price – they also consider quality and credibility. Sourcewell vendor contracts include over 175 industry-leading brands in areas such as facilities, maintenance and repair, technology, heavy equipment, utility equipment, and transportation – just to name a few. With free membership, access to suppliers of the most trusted brands, and aggressive, competitive pricing, the Sourcewell contract is the best option for our business.

## HOW DOES SOURCEWELL WORK?

Sourcewell has the legislative authority, by law, to establish contracts for government and education agencies on a national basis. Sourcewell facilitates the competitive bidding process on behalf of their members' needs, and mirrors their contracting process. As a public agency, Sourcewell is its own lead agency to facilitate and hold contracts on behalf of its members. Members receive the added benefit of Sourcewell maintaining all procurement documentation and storing it, essentially creating a safe, secure paper trail.

CONTRACT #041521-TOT

## TWO-WHEEL CURBSIDE COLLECTION CARTS

- EVR II, EVR I, and Toter's newest innovation: the EVR Green cart, which is the market's first and only cart body produced entirely from recycled content, are available in 16, 21, 24, 32, 35, 48, 64 and 96-gallon sizes are compatible with automated and semi-automated lifters for garbage, recycling, organics and yard waste collection with an industry-leading 12-year body warranty.
- Available in a variety of colors, custom hot stamps, graphics and RFID tags.
- Nestable design allows fully assembled carts to be stacked inside one another for delivery efficiencies, reduced labor, and reduced delivery expense.
- Bear-Tough carts provide unmatched resistance to chewing and clawing, protecting both bears and humans. Now available in 32-gallon size.
- Service options for cart assembly and delivery, and full service cart maintenance available.

## ORGANIC CURBSIDE COLLECTION OPTIONS

- 2-gallon kitchen collector organics bins are equipped with top and bottom hand grips for easy dumping, a snap tight lid, a wall mountable design and a locking seal to prevent odors. These bins are dishwasher safe, which makes them easy to clean.
- 13-gallon organics bins are designed for collection with large handles at a comfortable height and heavy-duty wheels for easy transport to the curb. Featuring a latch and animal lock, it keeps away pesky predators.
- 21, 32, and 48-gallon organics automated collection carts are specifically designed to withstand heavy, wet organic waste with heavy-duty load ratings, and optional animal resistant locks.

## FEL COLLECTION OPTIONS

- Standard FELs are available in 1, 2, 3, and 4-cubic-yard sizes
- Organics FELs are specifically designed for heavy, wet organic waste with a leak-proof design, locking lid, and built-in drain plug, and are available in 2 or 3-cubic-yard sizes.
- Quieter, rust-resistant and corrosion-proof containers last up to three times longer than steel containers and require no painting.
- Lighter weight and easier to maneuver than conventional steel containers.

## LIFTER OPTIONS

- TrimLift is a slim profile lifter designed to fit rear-load and side-load applications.
- HighLift is a durable lifter designed to fit rear-load and side-load applications.
- EconoLift is a low-maintenance, low-cost lifter designed to fit most rear loaders.

## OPTIMIZATION SERVICES

Cart optimization services provided by Container Pros. Services include:

- Assembly and Delivery
- Labeling Services
- RFID Retrofit
- Residential and Commercial Maintenance Services/Contracts

When it comes to durability, nobody beats Toter's rotational molding technology; technology that makes two-wheeled carts from Toter the industry standard for toughness. And when it comes to sustainability, Toter leads the way again, through its **Project25** initiative. With **Project25**, Toter has committed to reducing the amount of virgin resin used in our entire cart manufacturing operation by 25%, and incorporating recyclables, both post-consumer (PCR) and post-industrial (PIR), which will reduce Toter's carbon footprint by at least 9% per cart. Find out more about **Project25**, and how to help reduce the carbon footprint of your carts at [toter.com/project-25](http://toter.com/project-25).

## AVAILABLE CART COLORS

Toter carts are available in a variety of colors. Granite finishes mask normal wear by helping hide scuffs, scratches, and dirt, keeping carts looking new for years.

Colors shown are as accurate as printing allows. Actual product colors are subject to variation from printed sample.

\*NON STANDARD COLORS AVAILABLE AT AN ADDITIONAL CHARGE
